Schedule is subject to due to weather and other unforeseen circumstances, and we will work closely with each province to ensure appropriate adjustments are made.

Rotation weeks.

Rotation weeks are allocated to provinces. Specific locations to be visited in those provinces will be determined in consultation with each provincial priority.

Project weeks

Government ministries/departments and partners in Vanuatu can put in a request to Respond Global HELPR-1 to specifically use a project week for their program of work. Confirmation of a project week use is subject to Respond Global Approval. Please contact Dr Basil Leodoro should you be interested in booking a project week.
